Documentation

Types
 - We issue all types of final or operative documents depending on the Order â€“ Reports or Certificates. These are in full compliance with International Standards and are accepted by all domestic and International Organizations and/or institutions.
Our company has developed its own software and plenty of piled statistics permitting us to analyze losses in transport of fuels â€“ a document highly appreciated by our clients.Place of issuance
 - Apart from standartly issued documents by Head Office, we are in a position to issue documents on the spot â€“ at Clientâ€™s site thus speeding the fulfillment of the Order up.

 - We maintain constant contact with our clients keeping them informed of developments in the execution of their Orders. When problems occur Clients are immediately informed and we are by their side when solving them for maximum protection of their interests.Level of acceptance
 - Thanking to loyalty and principality our company is a preferred partner for many Bulgarian and foreign companies and State Institutions.
 - We issue all documents required and the latter are accepted without objection by our Clients, banks and Customs.
